

Wellington

Wellington Digital Communications

Veracross

Wellington utilizes several communication methods with our community, the most important of which is Veracross. Veracross is the password-protected side of our website. It is an invaluable resource for your family, providing information about assignments, grades, attendance, school events, and more. Please log in to Veracross frequently.

To access Veracross, go to wellington.org and select LOGIN. Veracross will recognize you based on your login and provide information pertinent to your family.

Parents will receive their login information directly by email during the month of May in preparation for your first tuition invoice. Initial access will only be enabled to the New Parent Billing Portal. Parent portal access will be added in mid-July when the new school year begins in Veracross.

Students will learn their login information at school during their orientation process. To reset your password or if you forget your username, go to sts1.wellington.org/aduser. If you have any questions or issues logging in, please contact support@wellington.org.

Action required in July or early August:

Using the icons along the top, complete the following tasks once logged into Veracross:

- **My Family** – Expand each section and edit your family's data, especially the medical information and emergency contacts. Complete required forms by clicking the School Policies tab.
- **News** – View information pages for all-school, divisions, athletics, library, aftercare, WPA, and more.
- **Calendar** – View your household calendar. Using the tabs, explore several other calendar views. You may choose to **Subscribe** to calendar feed(s) for easy sharing across devices.
- **Directory** – Browse the school directory. Practice filtering and searching for teachers and friends. You have the option to download a PDF of the directory.

The Bugle - In order to properly receive Wellington's digital newsletter, The Bugle, please set your email filter to accept messages from wellingtonschool@wellington.org. Please read The Bugle regularly.

Emails - You may receive email communication from your child's teachers. On an as needed basis, you will also receive emails from school administrators, coaches, and the WPA. Please read these emails thoroughly. Emails generated through Veracross will be from the domain "email.veracross.com." Please add this to your safe senders list.

The Jag Magazine - Wellington publishes a magazine several times per year. Print and online versions are available.

Wireless - Wellington's wireless network is protected. Guest login information is available at the reception desk.

Social Media - Social media offers a timely and fun way to stay connect to the school.
