FAQ

When do programs take place?

The Wellington Summer Program takes place across eight weeks – from the week of June 12 to the Week of July 31. Some programs are full-day (9 a.m.–4 p.m.) while others are offered only in the morning (9 a.m.–12 p.m.) or afternoon (1–4 p.m.).

All programs are available “a la carte,” so use this Program Guide to determine which fit your family’s schedule and interests!

Who can participate in the Wellington Summer Program?

Programs offered to any rising prekindergarten through 12th grade students.

When does registration open?

Registration begins on **February 20 at 6 a.m.** and remains open all summer! The Wellington Summer Program is popular, so be sure to register as early as you can, as classes tend to fill quickly.

How does registration work?

Registration for the Wellington Summer Program is only available online. Visit www.wellington.org/summer to access the reservation system! (Note that families who have participated in the Summer Program in the past will have already created a username and password, while new users will need to click “Create an Account.”) Select the programs that fit your family’s schedule and interests, then complete program registration.

The grade levels for each program are based on students’ “rising” grade, so select from classes based on the grade your student is entering into in the 2023 – 2024 school year.

How does payment work?

Full payment – via credit card, cash, or personal check – is required at the time of registration.

What if a class is full?

We have set limits on the number of students who can attend any given program to keep the quality of programming high, to meet the needs of presenters, and to maintain the safety of students, staff, and families.

If a class is full, you can join its waiting list with no deposit or fee required. If a space opens, you will be notified and given 24 hours to complete registration before the opening is passed to the next person on the waiting list.

How does drop-off and pick-up work?

FULL-DAY

8:30 a.m. – Drop off begins
 9 a.m. – 12 p.m. – Class
 12 – 12:30 p.m. – Lunch†
 12:30 – 1 p.m. – Brain Break
 1 – 4 p.m. – Class
 4 – 4:15 p.m. – Pick-up
 4:15 – 6 p.m. – Aftercare†

HALF-DAY (MORNING)

8:30 a.m. – Drop off begins
 9 a.m. – 12 p.m. – Class
 12 – 12:15 p.m. – Pick-up

HALF-DAY (AFTERNOON)

12:45 p.m. – Drop off begins
 1 – 4 p.m. – Class
 4 – 4:15 p.m. – Pick-up
 4:15 – 6 p.m. – Aftercare†

†Are lunch or aftercare offered?

Yes! Both lunch and aftercare are available for a flat rate per week, so **as you register for programs for a given week, be sure to also register for that week’s lunch or aftercare option** in our reservation system.

Note that lunch is only available for students in full-day programs (or attending a combination of morning and afternoon half-day programs) and aftercare (4:15–6 p.m.) is available only to students registered in full-day or afternoon half-day programs.

Can I make changes or cancel after I’ve registered?

We understand that summer plans can change! As Wellington has made firm financial commitments to our presenters and purchased program supplies, any cancellation prior to June 1, 2023 will be refunded minus a \$50, non-refundable cancellation fee per class.

Cancellations after June 1 are fully non-refundable unless a program is canceled.

What if my child needs medication during the day?

An Administration of Medication form can be found at wellington.org/summer. Note that parents and caregivers and a doctor must complete, sign, and submit the form before our Summer Program staff can dispense medication. Medication must be sent according to the instructions found on that form.
