Wellington

Founded in 1982 by a group of local entrepreneurs as Columbus' first coeducational independent school, The Wellington School is dedicated to helping students find their purpose and realize their potential for tomorrow's world. Students in preschool through grade 12 have freedom to delve into interests that spark their curiosity, all while building a solid academic foundation through challenging and engaging curriculum.

We believe that every form of diversity makes us stronger and strive for each member of our learning community to share their individual voice and have a deep sense of belonging.

Athletics at Wellington

The Wellington Athletics Department encourages student-athletes to explore a variety of sports, fostering the development of diverse skills. We are dedicated to cultivating strong moral character, inspiring passionate and purposeful competition, and instilling a lasting appreciation for commitment. Through our programs, we strive to help students realize their full potential, both as athletes and individuals, preparing them for success on and off the field.

The Jaguar Way

At Wellington's courts and fields, students embrace the Jaguar spirit, developing skills and a winning mindset under the guidance of our skilled coaches, many of whom bring collegiate-level experience. Wellington's high school varsity teams consistently capture league titles, compete in OHSAA playoffs, and advance in the District, Regional, and State tournaments. Each year, many Jaguar athletes continue their athletic journeys at the collegiate level, competing for NCAA Division I, II, and III programs. The Wellington physical education program offers a wide array of classes, including strength and conditioning, weight training, outdoor sports, and yoga.
