### CAR LINE TIPS AND TRICKS:

- » Please have patience. Over 200 students need to be safely loaded into cars.
- » Ensure authorized pickups are updated in Veracross. Otherwise, the adult will need to present a state ID.
- » Display the placard you receive at your intake conference in the passenger-side visor and pull it down when picking up your child(ren).
- » For the safety of students, please limit technology use while in car line.
- » Car line gets faster as people have more practice.
