# FAQ

## When do programs take place?

The Wellington Summer Program takes place across eight weeks – from the week of June 8 to the week of July 27. Some programs are full-day (8:30 a.m.–3:30 p.m.), while others are offered only in the morning (8:30–11:30 a.m.) or afternoon (12:30–3:30 p.m.).

All programs are available “a la carte,” so use this Program Guide to determine which camps fit your family’s schedule and interests!

## Who can participate in the Wellington Summer Program?

Programs are offered to any rising prekindergarten through 12th grade students. Students must be age 4 by the first day of camp and reliably potty trained.

## When does registration open?

Registration for the 2026 Summer Program will open to Wellington families on January 12, at 7 a.m. General registration opens on February 9, at 7 a.m. The Wellington Summer Program is popular, so be sure to register as early as you can, as classes tend to fill quickly.

## How does registration work?

Registration for the Wellington Summer Program is only available online. Visit [www.wellington.org/summer](http://www.wellington.org/summer) to access the reservation system! (Note that families who have participated in the Summer Program in the past will have already created a username and password, while new users will need to click “Create an Account.”) Select the programs that fit your family’s schedule and interests, then complete program registration.

The grade levels for each program are based on students’ “rising” grades, so select from classes based on the grade your student is entering into in the 2026 – 2027 school year.

## How does payment work?

Full payment – via credit card or ACH bank transfer – is required at the time of registration.

## What if a class is full?

We have set limits on the number of students who can attend any given program to keep the quality of programming high, to meet the needs of presenters, and to maintain the safety of students, staff, and families.

If a class is full, you can join its waiting list with no deposit or fee required. If a space opens, you will be notified and given 24 hours to complete registration before the opening is passed to the next person on the waiting list.

Lunch will not be provided for students registered for only a morning or afternoon half-day program.

**Students who have dietary restrictions must bring lunch from home, as our summer food service does not have the same flexibility or options as typical school year offerings.**

Aftercare will be available from 3:30–6 p.m. for a flat rate per week for students who are registered for full-day programs or afternoon half-day programs. We cannot accept daily drop-ins.

## Can I make changes or cancel after I’ve registered?

We understand that summer plans can change! As Wellington has made firm financial commitments to our instructors and purchased program supplies, any cancellation prior to June 1, 2026, will be refunded minus a cancellation fee per class (\$50 per full-day and \$25 per half-day class).

Cancellations after June 1 are fully non-refundable unless a program is canceled.

## What if my child needs medication during the day?

An Administration of Medication form can be found at [wellington.org/summer](http://wellington.org/summer).
