

Wellington

Welcome to the 2020 Summer Reading Program! I'm excited to share that I will be joining Mrs. Dunn in The Abbott Family Learning Center as a Wellington School librarian this fall. We are pleased to announce several fun summer reading opportunities that Wellington students are sure to enjoy:

Virtual Story-times (Live Sessions): Join Mrs. Jacobs for LIVE, interactive reading sessions that include stories, songs, games, writing, drama, and more! Join in the fun with a wide range of activities that encourage the development and love of literacy in students of all ages. Join the sessions via Zoom [here](#). No registration necessary. August 11: Family Evening Story Time

Online Story Library: Are you ready to listen to your favorite stories read by Wellington teachers and staff? This awesome website is a work-in-progress so check back often! <http://www.wellingtonreads.org>.

Reading Choice BINGO Board and Reading Log: As you complete the reading activities, color a box on the BINGO board. Use the Reading Log to keep track of ALL of the good books you read this summer! Mrs. Dunn and Mrs. Jacobs will collect these forms in the fall when we will celebrate our reading community together. Download the materials [here](#).

I am looking forward to reading with all of you this summer and again once school begins. In the meantime, have fun reading together and see you soon!
