Technology	
<p>The Technology Department recommends an Apple or Microsoft laptop; however, Chromebooks may be used if they are already owned. Purchasing expensive computers for students' use is discouraged, and additional software is not needed in middle school. Students need access to the Chrome browser for use of Google apps and other web-based tools. A student's device must meet the following reqs:</p> <ul style="list-style-type: none"> Webcam (for photos, voice & audio recordings) Keyboard Wireless Connection Battery Life (full day's use on a single charge) Case for the Device 	<ul style="list-style-type: none"> Headphones or Earbuds Antivirus (for Windows & Apple laptops) <p>Most work in middle school can be completed on an Apple, Windows, or Chrome-based computer using Google applications. The current requirement for upper school students is a device that runs the desktop versions of Microsoft Office and other specialized desktop programs as needed. The school can provide a Microsoft Office 365 license and Adobe Creative Cloud license for Apple or Windows provided the laptop runs the latest operating systems and has adequate drive space.</p>
