

Hello, my name is Victoria (Tori) Scott. I was a student at Eastland Performance Academy for seven years, and I now attend The Wellington School. During my time at Eastland Performance Academy, I developed skills such as working with my peers and staying on top of tasks.

I selected Wellington because of the college prep curriculum, and the small class sizes stood out to my family and me. I wanted a place where I could grow and learn. Wellington fits that criteria.

Since beginning my time at Wellington, I have found that I enjoy the small classes. I feel like I learn better when there are a small number of people in the classroom. I also like the fact that teachers have office hours. During office hours, I can ask questions about any homework problems and assignments.
